Eraserhead Press, United States, 2012. Paperback. Book Condition: New. 214 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. One day it started raining-and it never stopped. So began Brian Keene's Earthworm Gods, a novel that straddled the lines between the horror and bizarro genres. Fans have long marveled over that post-apocalyptic landscape-a flooded earth filled with strange and terrifying monsters. Readers returned to that world in Earthworm Gods II: Deluge. Now, it's time for one last trip. Earthworm Gods: Selected Scenes From the End of the World is a collection of short stories set in the world of Earthworm Gods and Earthworm Gods II: Deluge. From the first drop of rain to humanity's last waterlogged stand, these tales chronicle the fall of man against a horrifying, unstoppable evil. And as the waters rise over the United States, the United Kingdom, Australia, New Zealand, and elsewhere-brand new monsters surface-along with some familiar old favorites, to wreak havoc on an already devastated mankind. Deadite Press is proud to present this all-new, first time in paperback edition, including an all-new introduction and new story notes by the author.
