Reviews

It is just one of the best publications. This can be for anyone who states that there was not a well worth reading through. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Tara Jerde)

LA NOTA SEGRETA.

Longanesi, 2010. Book Condition: new. Milano, 2010; ril., pp. 280, cm 14,5x21,5. (La Gaja scienza. 968). Milano, 1736, monastero di Santa Radegonda. Una giovane contessa in clausura per imposizione della famiglia ha una sola ragione di vita: la passione per la musica e la sua voce di contralto, scura e potente. Oltre la grata, nel corso delle messe cantate, un diplomatico inglese in missione presso l'arciduca d'Austria nota la sua voce e non la dimentica. Nasce così, da una suggestione del canto e da immagini rubate, l'amore proibito fra la novizia Paola Pietra e sir John Breval, a cui farà seguito la fuga dal convento sino a Venezia e da lì il viaggio della ragazza per nave in un mare pieno di insidie. Un attualissimo personaggio femminile che rivendica la propria libertà di vivere e di amare.
