Institute of Education Press. Paperback. Book Condition: new. BRAND NEW, Developing Subject Knowledge in Design and Technology: Structures, Gwyneth Owen-Jackson, John Myerson, In October 2001 the Open University introduces a new modular programme for initial teacher training for secondary teaching. Four set books will develop and extend the required subject knowledge for the National Curriculum in Design and Technology. Although intended for initial students many existing teachers will find these up to the minute texts invaluable updates on the statutory requirements of subject audits. All include practical and theoretical activities for readers to undertake and questions for them to answer. This book covers aspects of subject knowledge relating to: structures and materials, shell and frame structures, forces and moments, the effects of loads and stress analysis.
