Sew Quilt with Cuddle Fabric Class DVD: With Instructor Mary Gay Leahy

By Mary Gay Leahy

Annie's Attic, United States, 2015. DVD video. Book Condition: New. 190 x 137 mm. Language: English Brand New Book. With just a few of these simple, easy tips and techniques, you'll quickly gain the confidence to make treasured quilts and gifts with this one-of-a-kind fabric. Cuddle fabric is the coziest, softest fabric on the market, but because it's so different from 100% cotton fabric, some sewers and quilters aren't sure how to sew with it. Join sewing and quilting expert Mary Gay Leahy as she shows you how to use Cuddle fabric in a pair of stylish and-warm infinity scarves, an adorable kid's cowl, a handy multipocket tote, and a soft and snuggly baby quilt. In this class you'll learn how to set your machine's presser foot to make sewing Cuddle snag-free, choose the right sewing machine needle and thread for working with minky fabrics, make clean and straight cuts every time, clean up Cuddle dust in a jiffy, combine super-soft Cuddle with a high pile with an equally soft Cuddle faux suede, and how to launder Cuddle projects so they stay soft for years to come.

This ebook will be worth acquiring. It is actually written in basic phrases instead of hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and I encouraged this book to find out.
