Not illustrated. 1913 Excerpt: .surgery has contributed very little to the reduction of the maternal mortality of eclampsia is also far from being correct. He has endeavored to show why obstetric surgery has not accomplished more in the treatment of this dread complication. Give it a fair chance, and results will show how much it will accomplish. Don t delay operation in eclampsia until you have a patient overwhelmed with the poison any more than you would counsel delay in appendicitis until the patient has suppurative peritonitis. In judging the value of operative procedure in such cases, one feels perfectly justified in not counting them, or considering them in the same category with neglected strangulated hernia cases. We think such results due to neglect and delay or poor judgment. In the same way, the time will come when failure to see that the uterus is emptied quickly after the onset...
