## THE SOUL OF THE INDIAN A NATIVE AMERICAN CLASSIC

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 80 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. Charles A. Eastman's book, *The Soul of the Indian*, is an extremely valuable insight into the Native American world view, especially since he was a Sioux Indian himself. This book is valuable for anyone who will be involved with people of other cultures. It is a caution to take the time and effort to learn the other man's culture and world view in order to communicate meaningfully. While Eastman was fully conversant with both Indian and American culture it is doubtful that he ever found an American counterpart who knew and respected his Indian culture and without placing it in judgement. Therefore, as Eastman grew older he was inexorably drawn back to his original Indian world view and values, being increasingly disappointed with American culture and values. He attempted to reconcile his Indian culture and world view with biblical values and teaching. However, I think this attempt was not successful. One is left with deep respect for Eastman and sadness for the tragedy of the Native American. This item ships from La Vergne, TN. Paperback.
