In contrast, Miss Lissa Reynard was an immoral adventuress, winning vast sums from titled victims in London's most elegant gambling salons. None outside a trusted circle suspected that Alison and Lissa were one and the same - until Lady Edith's nephew, the handsome, iron-willed Earl of Marchford, picked up the scent of scandal. Suddenly Alison was faced with a double dilemma. She had to keep the insistent Earl from exposing her secret life as well as hide what was happening to her heart - for in his arms she found herself coming closer and closer to being both unmasked and undone.
