Excerpt from The Study of the British Commonwealth: An Inaugural Lecture Delivered Before the University of Oxford on 19 November, 1921 But any such fears were quickly laid to rest by the first appointment to the Chair. Professor Egerton, beyond dispute, possesses a more thorough knowledge of Colonial History than any living man; and the wide learning, the lucid exposition, the scholarly judgement of his lectures and his writings soon proved - if proof indeed were needed - that the American Revolution, for example, was at least as fit and profitable a field for scientific study as the Revolution of 1688, and that political lessons could be learned from the development of self-government in the Dominions as well as in the Mother-country. And may I here declare, on behalf of many students known to me and not least of myself, the debt of gratitude we owe Professor Egerton for the instant sympathy and patient guidance he has given in such full measure to all who shared his own deep interest in the subject? It is a great...
