STOCHASTIC COMPUTING

now publishers Inc. Paperback. Book Condition: new. BRAND NEW, Stochastic Computing, John Sartori, Rakesh Kumar, The continuing ability of manufacturers to produce smaller devices with each technology generation has enabled the exponentially increasing circuit density and capability that has driven technological innovation for decades. However, compounding static and dynamic non-determinism resulting from the manufacturing challenges that accompany technology scaling has resulted in uncertainty in performance, power, and reliability that threaten the continuation of Moore's law. This situation is exacerbated by...
