Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, The Sound and the Fury, William Faulkner, 'There was another yellow butterfly, like one of the sunflecks had come loose!' This title comes with an introduction by Richard Huges. Depicting the gradual disintegration of the Compson family through four fractured narratives, The Sound and the Fury explores intense, passionate family relationships where there is no love, only self-centredness. At its heart this is a novel about lovelessness - 'only an idiot has no grief; only a fool would forget it. What else is there in this world sharp enough to stick to your guts?'.
