Atria Books, United States, 2016. Hardback. Book Condition: New. 229 x 160 mm. Language: English . Brand New Book. From the bestselling author of the charming debut (People) A Man Called Ove and My Grandmother Asked Me to Tell You She s Sorry, a heartwarming and hilarious story of a reluctant outsider who transforms a tiny village and a woman who finds love and second chances in the unlikeliest of places. For the fastidious Britt-Marie, this new world of noisy children, muddy floors, and a roommate who is a rat (literally), is a hard adjustment. As for the citizens of Borg, with everything that they know crumbling around them, the only thing that they have left to hold onto is something Britt-Marie absolutely loathes: their love of soccer. When the village s youth team becomes desperate for a coach, they set their sights on her. She s the least likely candidate, but their need is obvious and there is no one else to do it. Thus begins a beautiful and unlikely partnership. In her new role as reluctant mentor to these lost young boys and girls, Britt-Marie soon finds herself becoming increasingly vital to the community. And even more surprisingly, she is the object of...
