Have you read the headlines lately? They are filled with divorce horror stories about spurned ex-spouses damaging cars and property, kidnapping their children, and refusing to pay child support. Divorce is hard, particularly when there is infidelity, financial problems, animosity, or other stress-inducing factors involved. To ease your way through this painful life crisis, relationship expert, Jane Wymer, has written an extensive guide to help you during one of the most vulnerable stages of your life. She will open your eyes to potential dangers in the following areas: your finances, property, children, security, and physical and emotional health. Wymer is aware of common dirty tricks that divorcing women routinely face during finance and child custody negotiations. She is also aware that bodily harm and property damage is a common issue that divorcing women face and will arm you with invaluable tips to help you secure your home and valuables. Some of the invaluable information you ll discover includes: o Guerilla Warfare Divorce Tactics for proactive defense o A plethora of killer tips for documenting a trail of quality evidence to use in court o Securing your apartment to protect against possible ex-spouse home invasions o The most effective security options for a wide range of budgets o Insurance coverage and other essentials o How to negotiate the best divorce agreement Peace of mind is priceless. A small investment in this guide will ensure sanity and better quality of life as you divorce and move onward to a new and better life.
