Excerpt from Postage Meter Fraud: Hearing Before the Subcommittee on Postal Operations and Services of the Committee on Post Office and Civil Service, House of Representatives, One Hundred Third Congress, First Session; November 10, 1993 The subcommittee met, pursuant to call, at 11:10 a.m., in room 304, Cannon House Office Building, Hon. Barbara-Rose Collins (chair of the subcommittee) presiding. Members present: Representative Collins. Miss Collins. The Subcommittee on Postal Operations and Services, hearing on postage meter fraud, will now come to order. Postmaster General, it is really a pleasure to see you here this morning. Mr. Runyon. Thank you. Miss Collins. Thank you all for joining us today. The hearing this morning will focus on the announcement by Postmaster General Runyon, that the Postal Service is losing \$100 million annually to postage meter tampering fraud. There are approximately 1.4 million postage meters in service throughout the country. These devices, which should be tamper proof, are licensed by the Postal Service and manufactured primarily by the four companies who were invited to be here today. Since postage meters...
