Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.If you have been in youth ministry for any length of time, you will quickly learn the one thing that teenagers value most: their relationships. As they move into a world of independence, these relationships help shape their identity and affect their lives for the future. Relationships looks at the key relationships that youth have with their families, friends, and members of the opposite sex. All youth have relationship stories; and the reality is that we can help them navigate those relationships, whether they come from great circumstances or challenging ones. The daily devotions and exercises in the Groove: Relationships Student Journal are designed to help youth dig deeper into the ideas presented in the weekly lessons and move them toward more thoughtful relationships. The Groove Bible study series invites teens to learn the essentials of their faith, own their story, and engage the world in serving Jesus. Each topical study consists of four weekly sessions that are easy to lead and relate to life issues teens face. With up to 48 weeks available, Groove is great for Sunday and mid-week gatherings for both large and small groups as well as retreats.The student journal contains session-specific questions, background information, and daily devotions for each session.
