Reviews

Simply no words and phrases to clarify. It really is full of knowledge and wisdom You wont feel monotony at at any moment of the time (that's what catalogs are for relating to when you question me).

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, In Defence of Dogs: Why Dogs Need Our Understanding, John Bradshaw, What would dogs ask for, if they knew how? In the "Sunday Times" bestseller "In Defence of Dogs" John Bradshaw, an anthropologist at Bristol University who has been at the centre of the latest research into what makes dogs tick, gives us the answers. Overturning the most common myths about dogs' emotions and behaviour, this book shows how we should really treat our pets, and stands up for dogdom: not the wolf in canine clothes, not the small furry child, not the trophy-winner, but the real dog, who wants to be part of the family and enjoy life - mankind's closest friend. This is the real science that every dog lover needs to know.
