It s the first day of school and Elizabethi can hardly wait. She puts on her new uniform and feels her shiny shoes. School must surely be a very special place!Shortly after arriving at school, however, Elizabethi begins to miss her family. What if Mama needs help cleaning the rice? What if her baby sister wants to play? What if her little brother wants to go for a walk? But soon Elizabethi is making friends and learning her lessons. Best of all, she shares her experiences with her family that evening and can apply what she has learned right away.In this contemporary Tanzanian story, author Stephanie Stuve-Bodeen and artist Christy Hale once again bring the sweet innocence of Elizabethi to life. Readers are sure to recognize this young child s emotions as she copes with her first day of school and discovers the wonder and joy of learning.
