Forgotten Books, United States, 2016. Paperback. Book Condition: New. abridged edition. 229 x 152 mm. Language: French . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Contes Et Saynetes Much has been said to set forth the charm of the French short stories, and much might yet be said of their intrinsic value as language study. They are countless in number. The following, which have recently appeared in Paris, are now presented for the first time as a class-room text. They were written by such well-known novelists as Jean Richepin, Pierre Loti, Jean Aicard, Armand Silvestre, Paul et Victor Margueritte, Jean Rameau, and other younger authors who delight in this now so essentially French product - the short story and the saynete. Some slight alterations, the occasional change or omission of a word or line, have been made when imperative. This little volume offers no special difficulty to the student who has mastered the forms (regular and irregular) together with the elementary syntax of French. A vocabulary of words differing from the English and a few notes have been added to elucidate such points only as are not given in an abridged dictionary, or in the usual class-room aids to study. The student's attention should centre on the mastery of precise and varied expression and the fluent reading of the text, never disconnecting sound from sense.
