So she's back on the road; and where better to look for shelter than with the boy she was running from before? But trouble follows. If it wasn't Jacey's parents who sent the deadly Twa Corbies in chase of her, then who was it? Deep under London, among the lost and rejected of two worlds, answers begin to emerge from Desi's hidden past. Answers that send her north, in a flight that turns into a hunt, with strange companions and stranger prey. Dangers lie ahead and behind, and inconvenient passions ambush her just when she needs a clear head. At the last, even Desi has to beg for help. From one who has more cause than most to want her dead.
