

Race and Social Equity A Nervous Area of Government 2014

Filesize: 8.13 MB

Reviews

Basically no phrases to clarify. It really is rally fascinating throgh reading time. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Anabel Zemplak)

RACE AND SOCIAL EQUITY A NERVOUS AREA OF GOVERNMENT 2014

[DOWNLOAD](#)

Routledge. Hardcover. Book Condition: New. Hardcover. 224 pages. Dimensions: 9.1in. x 6.1in. x 0.7in. Like the air we breathe, nervousness about race surrounds us. In this compelling book the author contends that social equity--specifically racial equity--is a nervous area of government. Over the course of history, this nervousness has resulted in an inability to seriously advance the reduction of racial inequities in government. Until this nervousness is effectively managed, efforts designed to reduce racial inequities in the public sector cannot realize their full potential. This book profiles case studies at the federal, state, and local level that are ahead of the curve in navigating this nervous area of government. It concludes by considering performance management, educational challenges within public administration, and race and social equity in a comparative context. The final chapter of the book offers ten practical principles for conquering nervousness in government. Race and Social Equity is written for public administration faculty and graduate students, and is particularly targeted for use in graduate-level courses with an emphasis on social equity, race, diversity, public management, and organizational behavior. Public service practitioners will also find this book to be a valuable resource in tackling an important issue. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
