### Reviews

*The most effective publication i at any time go through. This is certainly for all those who statte that there had not been a worthy of looking at. Its been printed in an extremely straightforward way which is merely soon after i finished reading this publication where basically changed me, change the way in my opinion.*

*(Madison Rutherford)*

## BOOKPLATES (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Bookplates The genesis of the Bookplate must be sought afield. We are making up for lost time and promise soon to be in the van, thanks to the many brilliant stylists who now devote their art to the subject; but while we were still content with armorial bearings for these attractive symbols, and had not escaped the tyranny of couchant lions, rampant leopards and chimeras dire, other nations already began to see the humanity implicit in ex-libris, and the designs of Albert Durer, Hans Holbein and the Little Masters of Germany, though they still embrace coats and crests and mottoes, lead the way to fresher air and better ground. Our modern bookplates are now nearly free of the Herald s Office; and other extraneous influences, including the French style and convention, have been abandoned for more fluent beauty, humour and imagination. In fact, a happy future is dawning for these fine things, and the time must quickly come when no book-lover, worthy the name, can deny himself a work of art to link him with his book, long after his eyes shall read and his hands embrace it no more. We have already followed James Guthrie s admirable advice (than whom no man better understands what may become a bookplate), and let go the coat-tails of our ancient heroes to do some wayfaring on our own account. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
