

Handy Book of Medical Progress: A Lexicon of the Recent Advances in Medical Science (Classic Reprint) (Paperback)

By Charles Warrenne Allen

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Handy Book of Medical Progress: A Lexicon of the Recent Advances in Medical Science So rapidly do the advances in the various branches of medical science multiply, that one finds it an almost impossible task to keep abreast of the times without the aid of what might be called concentrated literature. In current publications many terms and neologisms are employed long before they find their way into text-books, encyclopaedias, and dictionaries. For these reasons the authors have been led to compile an alphabetically arranged volume, giving so far as possible the meaning of new terms and value of the new discoveries in the realms of practical medicine. The book includes the more recent and novel names of diseases, tests, methods, drugs, therapeutic and surgical suggestions, etc. It would have been impossible and unwise in a work of this kind to attempt even an enumeration of all the remedies recently introduced. In other branches as well, omissions have occurred, since to incorporate all the novelties of medicine, even for a single year, would call for a...
