Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Juan is fifteen, sitting in a prison cell in Texas. He will be executed soon-before his sixteenth birthday-for breaking the rules. It s forbidden to break the rules. It s forbidden to write, too, but Juan has paper at his disposal in his tiny cell. He wants to write his story so that others can understand. He wants to explain that he never really liked working for Adolf Hitler. Juan of the Third Reich is a fictional look at what could have happened if Hitler had won World War II. It is a recounting of one young soldier s experience in the America that could have been if the country had been overtaken by Nazis. In Juan s world, all serve Emperor of the New Age, Hitler. Citizens are chosen for breeding, while the rest of the world is not allowed to copulate. Citizens aren t allowed to think anything outside of what Emperor Hitler tells them-which is why Juan is to be executed. Ask yourself: what if Hitler had won? What kind of world would we live in today? The course of history would have changed forever, and Texas could instead be known as the German Republic of Texas. Juan of the Third Reich is the diary of a dead man, but it is also a warning. If we the people become complacent to tyranny, in all its forms, we will inevitably allow the savagery of our past to overtake us again. And this time we may not have the will to defeat it.
