

Primary Batteries (Classic Reprint) (Paperback)

By Henry S Carhart

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Primary Batteries With the exception of a single translation from the French, the material on primary batteries hitherto accessible to English readers has been in detached portions, partly in books on the general subject of electricity, and partly in scientific journals and technical papers. A thorough knowledge, systematically arranged, of the principles involved in the construction, operation, and theory of primary batteries is of undoubted service to those beginning an extended course of study in the applications and engineering of electricity; while it is indispensable to one whose occupation requires familiarity with these most simple and useful means of producing electric currents for practical purposes. This little book has been written with both of these classes of readers in mind. No attempt has been made to compile anything like a complete list and description of all the combinations proposed or actually used as primary batteries. A large proportion of them are more curious than useful, and many have scarcely the merit of novelty. About the Publisher Forgotten Books publishes hundreds of thousands of rare and...

Reviews

This publication is fantastic. It can be rally intriguing throgh looking at time. You may like the way the author compose this publication.

-- Mr. Wilber Thiel

It in just one of my personal favorite publication. It is among the most awesome publication i have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Delia Rutherford
