This written book is great. I am quite late in start reading this one, but better then never. You will not really feel monotony at at any moment of your time (that's what catalogues are for about when you check with me).

Neuware - Luca Váradi aims to understand the formation of the Hungarian teenagers attitudes towards the Roma, as adolescence is a crucial period in identity development. Her objective is to determine to what extent the classical and more recent theories on the formation of prejudice can be applied in a context in which there is no public consensus of respect towards minorities.
