Twenty years ago, Destinys world collapsed when her mother died and her father, Albert, abandoned his daughter to pursue acting in New York. His devastating exit taught Destiny a lesson in self-reliance that has kept her safeand aloneever since. Now Albert Jones is back, begging for a second chance. Destiny suspects hes simply staging another performance, starring himself as the prodigal father. Should she act on her misgivings? Or listen to her inner child, who still yearns for a family? When Albert divulges a shocking secret, Destinys life will again be turned upside down. Kathleen Longs warm, wise novel reveals the armor that has protected us in the past is often the very thing we must shed to fully live and love.
