

My Christmas Tree: An Easy-to-make Tabletop Model (Paperback)

By Mary Beth Cryan

Dover Publications Inc., United States, 2014. Paperback. Book Condition: New. 276 x 212 mm. Language: English . Brand New Book. Oh, Christmas tree! Here's everything kids need to make a full-color, 16 1/2-inch-tall holiday fir, complete with 16 ornaments and a shiny star for the top. This activity is recommended for ages 7 and up; children without much craft experience might need an adult's help. Easy-to-follow directions explain how to assemble the nine-piece tree. No scissors are required because the pieces simply pop right out of the book. Folding is easy, thanks to the pre-scored lines on all the pieces. A few dabs of glue are all that's needed to put together each three-piece ornament. Once the tree is assembled, the ornaments can be rearranged over and over again!

Reviews

Basically no words to describe. We have read through and I also am sure that I am going to go read once more once again later on. You may like just how the article writer compose this publication.

-- Mrs. Jane Quitzon DDS

Totally among the best publication I actually have actually go through. It can be filled with wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Glen Ernser
