Able Muse Press, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Poetry. SEA LEVEL RISING, John Philip Drury s fourth collection, revels in water flowing through rivers, splashing on quays and docked vessels, the wake of speeding boats, the elusive tang of sea salt in the heart of the prairie, even the water of baptism that rebirths the believer. The uplifting lure of water, as with a pair of honeymooners in Venice, may inspire a love eager to divorce / anything impeding its energy. Our state of being might mirror water s when everything s in flux, repeated spasms / of wake and wave, bright sun, reflecting pool, / surges made up of intricate detail. The waves of music, like those of water, are also prominent in the musings of this collection, where that which rises and returns / approaches music, a blessing / beyond sound. These are masterfully crafted poems of uncommon inspiration, and they whelm with a celebration and longing for that which ebbs or flows inside us. SEA LEVEL RISING is about a lot of things, all in some way the same mystery why we love tidal waters, why we feel a kinship with the pulse and ebb of time and emptiness, why we feel most alive when we stand at the fractal edges of perception, why the singing of a good poem evokes all those correspondences we can t help loving. John Philip Drury s new poems will please many and please often as he celebrates, and with mastery, the inexhaustible waters before and within each of us. Dave Smith With candor and a close eye, Drury introduces us to a world of love and literature, nostalgia and new experiences a world where...
