Brand New Book ***** Print on Demand *****.Excerpt from Macaria: A Novel The town-clock was on the last stroke of twelve, the solitary candle measured but two inches from its socket, and as the summer wind rushed through the half-closed shutters, the melted tallow dripped slowly into the brightly-burnished brazen candlestick. The flickering light fell upon grim battalions of figures marshalled on the long, blue-lined pages of a ledger, and flashed fitfully in the face of the accountant, as he bent over his work. In these latter days of physical degeneration, such athletic frames as his are rarely seen among the youth of our land. Sixteen years growth had given him unusual height and remarkable breadth of chest, and it was difficult to realize that the stature of manhood had been attained by a mere boy in years. A gray suit (evidently home-made), of rather coarse texture, bespoke poverty; and, owing to the oppressive heat of the atmosphere, the coat was thrown partially off. He wore no vest, and the loosely-tied black ribbon suffered the snowy white collar to fall away from the throat and expose its well-turned outline. The head was large, but faultlessly proportioned, and the thick black hair, cut short and clinging to the temples, added to its massiveness. The lofty forehead, white and smooth, the somewhat heavy brows matching the hue of the hair, the straight, finely formed nose with its delicate but clearly-defined nostril, the full, firm lips unshaded by mustache, combined to render the face one of uncommon beauty. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books...
