## Cambridge O Level Economics

By Susan Grant

Cambridge University Press, 2013. Softcover. Book Condition: New. Endorsed by Cambridge International Examinations, Cambridge O Level Economics covers the Cambridge syllabus (2281). The book draws extensively on real world examples to explore economic concepts, theories and issues. Each of the 52 units deals with a specific topic in a lucid and pertinent manner. A number of activities, based on examples from around the world, are designed to facilitate students' easy understanding of the contents. There is a range of questions both at the end of units and at the end of each of the eight sections to assess students' progress in the subject and to help them prepare for examination. Key features ? A clear indication of the content at the beginning of each unit ? Stimulating in-text activities ? Definitions of important terms given as highlighted key point boxes ? Numerous well-labelled diagrams and photographs to serve as visual aids ? Multiple-choice questions and answers at the end of each unit ? Structured questions, along with suggested answers ? Summary of main points and Teacher's tip for ready reference Contents Contents Introduction Preparing for Examination Acknowledgement SECTION I The Basic Economic Problem Unit 1 Scarcity Unit 2 Factors of...
