Brand New Book ***** Print on Demand *****.Excerpt from Land and Freedom Some surprise has been expressed at the appointment of Harry Hopkins to the post of Secretary of Commerce, for it does not appear that he has had experience in business, nor has ever been anything of a student of commerce. The point is not well taken. Knowing nothing about business he will make an ideal Secretary of Commerce under the new interpretation of the laws governing business, which is the production and distribution of wealth. When a man enters business he finds, no matter what business it is, that there are lots he did not know about it. He finds what are sometimes called the laws of political economy which he had never heard of before. He usually pays so little attention to these laws that he winds up in bankruptcy. Sometimes, most frequently indeed, his failure is due to circumstances over which he has no control. There come business depressions, and these are attributed for the most part to divine visitations or the blunders of the other political party. Get rid of the party and things will be on the upturn again. In the situation as it exists today the appointment of Harry Hopkins is ideal. We are positive that he does not believe that there are any laws of business, that he entertains the same views that his chief does, namely, that the laws of political economy vary with each decade. Roosevelt has told us in so many words that he has observed the changing teachings of what certain deluded people call the science of political economy. The laws of political economy are what is taught from time to time...
