Head of Zeus. Paperback. Book Condition: new. BRAND NEW, Shadows of War, Michael Ridpath, October, 1939: War has been declared, but until the armies massed on either side of the French-German border engage, all is quiet on the Western Front. There are those who believe the war no one wants to fight should be brought to a swift conclusion, even if it means treachery. A year ago, Conrad de Lancey came within seconds of assassinating Hitler. Now the British Secret Service want him to go back into Europe and make contact with a group of German officers they believe are plotting a coup. But this is the Shadow War, and the shadows are multiplying: it's not only disaffected Germans who are prepared to betray their country to save it.
