Ramayana Stories in Modern South India: An Anthology

By Paula Richman

Indiana University Press. Paperback. Book Condition: new. BRAND NEW, Ramayana Stories in Modern South India: An Anthology, Paula Richman, While some religious texts may remain static over time, the "Ramayana" epic has been retold in a variety of ways over the centuries and across South Asia. Some of the narrative's most probing and innovative re-tellings have appeared in print in the last 100 years in the region of South India. This collection brings together, for the first time, modern re-tellings translated from the four major South Indian languages and from genres as diverse as drama, short stories, poetry, and folk song. The selections focus on characters generally seen as stigmatized or marginalized, and on themes largely overlooked in previous scholarship. Editor Paula Richman demonstrates that twentieth-century authors have used re-tellings of the "Ramayana" to question caste and gender inequality in provocative ways. This engaging anthology includes translations of 22 primary texts along with interpretive essays that provide background and frameworks for understanding the stories.
