Reviews

This book is definitely not easy to get going on reading through but extremely exciting to see. I am quite late in start reading this one, but better then never. I am pleased to explain how here is the finest book i actually have read inside my individual daily life and may be he best book for ever.

Iroha Shuppan, Japan, 2016. Hardback. Book Condition: New. 109 x 64 mm. Language: English . Brand New Book. Ryosei Satoko Suzuki has traveled around the world like a couple of birds. They are uploading a journal video every day during their travels. Ta Bird Books is a series of photo flip books on world's most scenic places, based on time lapse movies by them. This fourth volume will take you to Panama Canal, the colossal man-made marvel and one of the top Where to Go attractions in the world. But, by flipping through this book the cruise between two mighty oceans will turn into a complete different experience. It will become cute, as if a miniature ship is sailing through the canal in a miniature environment. There is a comic illustration on the other side of each page and you can enjoy a small story by flipping them on the opposite side.
