I go into detail concerning the beast of Revelation, the prospects for the church of God, and several of the major nations on earth. At this writing the prospects for the USA are dire. We are building the debt from which there can be no return. We are cutting our military strength at a time when the other major powers are arming to their teeth. Conditions in Europe are bringing the EU into a position to challenge US supremacy. Germany is the driving power in Europe. At home we are descending into a morass of social problems. Our children are uneducated, but the masters of video games. A great nation can not be sustained in this manner, much less the super power. Open, rampant sin is now considered alternate lifestyles. This nation was founded on a relationship with Almighty God, He will not look the other way. We will be repaid for our conduct. Pastor Shults oversees two churches and administers Hungry Hearts Ministries in Jackson TN. He has written eight books on how to have a closer walk with Jesus Christ. Books that will help every Believer to a more rewarding life as a Christian.
