We re headed t the bottom of the biggest hole in the earth in North America, the Grand Canyon. Sam s research helpers uncovered information bout an ancient civilization developin a very advanced civilization there thousands of years ago. They say there have been those that discovered it but took the location t their graves with em. Course ya know Sam learnin stuff like that got him all fired up t head there t see if we could find any evidence of em. We knew we couldn t do it without help though n started lookin fer an Indian guide. Tribes had occupied the canyon since their origins n knew things white men was never gonna know. We found Dan Ferren. I m always amazed bout how lucky we are t find top notch people t help us out. When Dan found out Big Mike was Michael P. James the now famous archeology writer I thought he was gonna stop breathin. He got so shaky he collapsed inta a big chair until he could gather his wits agin. When we got t the canyon we found there was others there ahead of us n the race was on. We come awful near t losin Sam n was near out our minds tryin t locate him. Ya will be amazed at how clever them ancients was bout protectin what was theirs. We re headed where it s hot agin so prepare yerselves. Make shore ya got lots of nice cold drinkin water handy cause even when yer only imaginin what we re doin I ll bet yer gonna feel mighty thirsty. Thanks fer comin along. I hope ya like...
