

Health Psychology: Treatment and Research Issues (Paperback)

By Arthur R Zeiner, Debra Bendell, C Eugene Walker

Springer, United States, 2012. Paperback. Book Condition: New. Softcover Reprint of the Origi ed.. 244 x 170 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is primarily based on the proceedings of a confer en::: e entitled -Health Psychology: A workshop in Behavioral Medi cine, Treatment and Research Issues, - held April 8-9, 1983 at the University of Oklahoma Health Sciences Center and Oklahoma Chil drens Memorial Hospital, Oklahoma City, Oklahoma. This conference brought together researchers from pediatric psychology, pedia tri cs, clinical psychology, developmental psychology, !neurology, and psychiatry as part of a continuing medical education eries. While Health Psychology and Behavioral Medicine are the fastest growing segments of Psychology, relatively little attention has been paid to the pediatric segment of the life cycle. Yet, if we are serious about risk factor reduction and prevention of chronic diseases, it is precisely intervention with the young which will give the largest, most cost-effective results. Thus, the primary focus of the conference was on the pedia tric aspects of health and disease. Chapter 1 deals with the problems of behavioral health and sets forth some goals for our nation by the year 1990. Chapters 2 and...

Reviews

Unquestionably, this is actually the greatest function by any writer. We have go through and so i am confident that i am going to gonna read through once more once again later on. I am just happy to explain how this is actually the very best book i have got go through during my individual existence and might be he greatest ebook for ever.

-- *Wilbert Connnelly*

Completely among the finest pdf I actually have ever read through. it was actually written extremely completely and beneficial. Once you begin to read the book, it is extremely difficult to leave it before concluding.
